

Call for ISWCS 2024 Special Sessions

ISWCS'24 will feature both regular and special sessions on timely and emerging topics of interest to the wireless communications researchers. We therefore encourage proposals for special sessions with multiple of 5 papers. Proposals should include the following information:

- Title
- Motivation and rationale
- Session outline
- Contact information
- List of invited speakers

Submission: Please submit your special session proposal by sending an email to the Special Sessions Chair and the Technical Programme Chairs with the subject: *ISWCS 2024 Special Session Proposal*. Please do not hesitate to contact us in case you have any questions about the Special Sessions at ISWCS 2024.

Tutorial proposal due: **February 7th, 2024**

Notification of acceptance: Shortly after the evaluation
